

13 Generations of Winemaking & Distilling - Family Owned & Operated

Nostalgie™, Black Walnut Liqueur

Key Facts:

- Handmade by Miles Karakasevic, 12th generation Master Distiller & his son, Marko, generation 13.
- Black, English and Carpathian walnuts are gathered from local trees and placed in barrels. Triple pot distilled barrel aged pinot noir brandy is poured over the walnuts and left for two years to full extract all the walnut flavors.
- After two years, Miles & Marko take the extract and blend in a secret mix of herbs and spices to round out the rich walnut flavors.
- There are three key components in a fine classic liqueur: aroma, rich flavors, and a long finish.
- Nostalgie captures the natural walnut meatiness coming directly from the hand-picked nuts. The balanced complex flavors roll on and on long after the last sip.
- Charbay - flavors directly from nature.
