### Why it Sets Us Apart

Over 250 years of mastery results in highest quality, hand-crafted rum. It's in our blood.

Slowly distilled by hand in California, the same as our fine brandies, following Charbay's proprietary methods to accent every flavor.

We use a perfect blend of Hawaiian and Caribbean sugar cane syrup (not molasses.)

Barely filtered to preserve body, mouthfeel, and fragrance of tropical sugar cane.

Charbay Tahitian Vanilla Bean Rum is flavored with Miles' and Marko's personal extraction of Tahitian Vanilla Beans.
